Action Items

Lines 10-12: Authorization for the division to forward David Baker's nomination to County Executive.

Call to Order and Introductions

Chair Carolyn Armanini called the meeting to order at 9:40 am.

Everyone in attendance introduced themselves.

Nomination of David Baker

Chair Armanini said that she and Vice Chair Jerry Hardebeck interviewed David Baker after last month's SWAC meeting for the second local elected official position on SWAC. They are thrilled that he is interested in the position.

Armanini moved that SWAC authorize the division to forward David Baker's nomination to the County Executive.

12 *The motion passed unanimously.*

13
14 **Adjournment**

15 The meeting was adjourned at 9:45

16
17 **Comp Plan Kickoff**

18 Solid Waste Division Director Theresa Jennings said the Comprehensive Plan is required
19 by state law to be updated every five years. County code calls for updates every three
20 years. RCW 70.95 gives SWAC a role in the Comp Plan update. The update process
21 will be similar to the process used to develop the Waste Export System Plan. Last
22 Friday, the cities had a kickoff meeting and viewed the same presentation that SWAC
23 will see today. In addition, SWAC will hear from two guest speakers.

24
25 Armanini commented that this Comp Plan update will be different from previous updates
26 because the cities are much more engaged.

27
28 The division gave a presentation on the Comp Plan process, available at:

34
35 Tim Croll, Seattle Public Utilities Director, presented the City of Seattle's waste
36 reduction programs. Handouts from that presentation are attached below. Appendix D
37 of the document that can be found at the following link was also used in the presentation:
